

## Applying to Med School

UKCAT is used to rank applicants hoping to study medicine in 26/33 UK Universities.

Approximately 21,000 applications are received each year for 9,000 places.

Be prepared! You can't take UKCAT twice in one year.

Prepare  
Practice  
and  
Perfect

Don't leave it  
to chance

Only the top  
get accepted

How can I increase my chances of being accepted?

- visit [onexamination.com/ukcat](http://onexamination.com/ukcat) and sign up for the UKCAT preparation course.
- We have over 200 interactive practice questions.
- You'll receive detailed marking and feedback on your performance.
